Former Premier Leslie Frost Dies

Leslie Miscampbell Frost, the Province of Ontario's Premier for 12 years and Member for Victoria-Haliburton Riding, died at his

home in Lindsay on Friday morning last at the age of 77. His death came as no surprise to relatives and friends, as ten days ago it was learned he was very seriously ill.

The former premier, affectionately known as Old Man Ontario, lived at 17 Sussex Street, Lindsay, since his retirement in 1961.

Following his 1961 retirement, Mr. Frost made only rare public appearances although until just recently he occasionally visited his law office, established in

Lindsay in 1921.

His wife, the former Gertrude Carew, whom he married in 1926, died in 1970. They had no children.

In July of 1969 Mr. Frost suffered a broken leg and his wife had minor injuries when their chauffeur-driven car was in a collision with another auto.

A few days prior to that accident, Mr. Frost visited Canadian Forces Base at Borden, Ontario. Fifty-three years earlier he had arrived at the camp as a captain with the 57th Battalion, Simcoe Foresters, the first troops that were stationed there. "The poison ivy is still here", he noted.

After he retired, the former premier spent much of his time in historical research. In 1967 his book "Fighting Men" was published by Clarke Irwin. It was a reminiscence of the effect of the First World War on his hometown of Orillia.

Mr. Frost was working on a history of the Indian trails and portages of the Kawartha Lakes area.

His papers and documents go to Trent University in Peterborough, which he served as First Chancellor.

His political life began in 1937 when he was elected to the Ontario Legislature. He was chosen as Progressive Conservative leader at the age of 54 and was described as "practical, pragmatic and anti-intellectual".

In 1961 Old Man Ontario — as he was fondly referred to — turned over the reins of leadership to John Roberts.

A simple funeral ceremony,

without eulogy or pomp, carried Leslie Miscampbell Frost from Cambridge Street United Church to Riverside Cemetery in Lindsay on Monday to a grave overlooking Priest's Landing, a significant historic landmark on the Seugog River. Mr. Frost had rested at his home since his death last Friday and until just a few hours before his funeral.

A quarter-hour before the 2:00 p.m. service, Cambridge Street United Church was filled with overflow in the basement as Governor General Roland Michener, Lieutenant Governor W. Ross Macdonald, former Lieutenant Governor Earl Rowe and former Canadian Prime Minister

Police Week From May 13 - 19

During Police Week, May 13 - 19, 1973, the members of the Minden Detachment of Ontario Provincial Police extend a cordial invitation to any interested person, family or group to visit the Detachment office.

A special feature will be an opportunity by anyone to obtain a voluntary record of fingerprints for identification purposes only. A person fingerprinted under this procedure is given the document to store in a safe place with other personal papers. Its purpose is to facilitate identification in the event of a disaster. No copies are retained by other people or agencies.

Village Sidewalks Receiving Repairs

Municipal employees are busy this week working on a construction programme to repair some of the sidewalks in the Village of Haliburton. Some of them are badly in need of a face-lifting, and we are glad to see this project underway. Work on the sidewalks will be taking place in various sections of the village.

Nearing Objective

We have just received word from Ken Wilson, Chairman of the Rotary Club of Haliburton's Easter Seal Campaign, that the club is nearing its objective of \$1,500.00. More money is still needed if we are to go over the top. So if you have neglected to send in your donation, please do it today as the campaign is drawing to a close.

Minden Youth Pleads Guilty To Stealing Car

A Minden area youth who, police said, wrecked a stolen car will be sentenced Monday by Provincial Judge Ian Munro. Leonard James Dubeau, 18, of R.R. 2, Minden, a former resident of Brownedale, pleaded guilty to stealing the car from Curry Motors in Haliburton on April 25.

Constable Ron Buchanan of the Minden Detachment of the Ontario Provincial Police said that Dubeau was a passenger in a car which had been stolen in Toronto which arrived in Haliburton that evening about 9:00 p.m. Dubeau eventually acquired the Curry car and he and his companion from Toronto raced through Haliburton, each now equipped with stolen cars, said the officer.

They headed for Minden, he said, and on the way Dubeau lost control of his car and it rolled in a ditch. It sustained \$1,000 damage. Dubeau was unhurt in the crash and hitch-hiked to Carleton Place where he was picked up the next day by police.

Crown Attorney Chris Meinhardt reported that Dubeau was placed on probation last August on four charges of taking autos without the owner's consent.

Lakeview Music Students Win First Prize

On Thursday, May 3, the students from the Lakeview Centre for Retarded Children travelled to Bancroft, accompanied by their teachers Mrs. Mabel Hewitt and Mrs. Gloria Billings, and their music teacher Mr. Bill Gliddon.

Entering in the Special Schools Section of the Music Festival, they sang "Kum Bah Yah" in an arrangement which Mr. Gliddon had written especially for them.

The adjudicator was Mr. Harvey Perrin, widely known and respected throughout Canada for his excellent adjudications and his contributions to the cause of music education. Commenting on the excellence of their performance, Mr. Perrin awarded them a first prize certificate with the

very high mark of 88, and he requested that they repeat the song, which was enthusiastically applauded by the large Bancroft audience. Each of the students then received an individual crest, and they and their teachers were warmly congratulated by Father Henry Maloney, parish priest of St. Anthony's Church here in Haliburton, who was chairman of the Festival events for the morning.

The happy group were then treated to a luncheon visit at Mrs. Hewitt's home before returning to Haliburton.

This visit to a Music Festival and its triumphant result is certainly a great accomplishment for these young people, and a reflection of the patience and hard work of their teachers.

Pictured above are Gerald Barry, President of the Haliburton Rotary Club, and Ronald J. Curry, Chairman of the Rotary Group Study Exchange, together with the six members of the Exchange Team from India who attended a very successful joint meeting of the Haliburton and Minden Rotary Clubs at the Royal Canadian Legion Hall here on Thursday, April 26, 1973. Each member of the group presented the Rotarians and their wives with a very interesting talk on the various aspects of modern day life in India.

Chamber Of Commerce Hold Annual Meeting

The Annual Meeting of the Haliburton Highlands Chamber of Commerce was held on Tuesday, May 8, in the Royal Canadian Legion Hall at Haliburton beginning at 2:00 p.m.

The afternoon session brought about some most interesting discussions along with the election of a new Board of Directors for the upcoming year. The new board will comprise as follows: Past President - Barbara Dawson; from Haliburton County Council - Robert Vick and Lloyd Walker; from the Department of Tourism - Don Goodwin; members elect - Gerald Barry, Ronald Barr, Gerry Pillsworth, Grenville Martin, Art Ward, Donald Nye, George Hardy, Louis Hodgson, Dennis Farnsworth, Fred Peterson, Bruce Henry and Ed Gardiner.

The dinner meeting commenced at 7:00 p.m. with a large crowd in attendance. The head table guests were introduced by outgoing Chamber President Mrs. Barbara Dawson, and these were as follows: Mrs. Marion Arntfield (Past Secretary-Manager), Gerald Dawson, Mr. Glen Hodgson, Mr. Larry Perrott, Mrs. Audrey Perrott, Mr. Bob Fotheringham, Mrs. Shirley Hodgson, and Mr. and Mrs. Don Irvine.

Mr. Robert Fotheringham then brought greetings from County Council to the meeting, followed by Mr. R. Glen Hodgson's introduction of the guest speaker for the evening, Mr. Donald Irvine, Parliamentary Assistant to the

Ministry of Treasury, Economics and Intergovernmental Affairs. Mr. Irvine addressed the meeting on Planning and Local Government Reform.

Mr. Irvine stated that prior to 1960 practically nothing had been done in the way of planning with regard to neighbouring municipalities, however, now the trend is toward area planning. He then pointed out some of the problems that are of concern and are relevant to planning such as lake-front capacities, pollution, flood control and erosion, timber usage and wildlife preservation, limited lake access, conversion from summer to year round use, and a growing pressure for retirement facilities in an area such as ours. Mr. Irvine stated that all these factors point out the need for an official land use plan.

In his comments on the re-structure of local government, Mr. Irvine stated that the province is finding it difficult to convince the people that the province is not forcing reform but rather willing to co-operate with local politicians and people in planning their form of local government. It was stated that we must face facts that many municipal boundaries are obsolete and that we must broaden our thinking. Mr. Irvine said the government contends that local councils should be making many of the decisions that civil servants or special purpose bodies were now making.

Student Groups Receive Grants

The office of the Secretary of State announced last week that a total of twelve Opportunities for Youth projects have been now approved for the Riding of Victoria-Haliburton for the upcoming summer. Covering a wide range of activities, and designed to create lasting improvements in many parts of the Riding, the projects will provide summer employment for 95 persons. The Federal Government will provide financial assistance in the amount of \$72,830.

In Haliburton, a group headed by Richard Wood will gather and organize study material not presently available pertaining to regional government, and Allen Bull will head up a group of young people who will remove old automobile wrecks and parts that presently litter the countryside around the Haliburton area.

A Federal grant of \$7,650 has been granted to the group of students from the Haliburton Highlands Secondary School and the following have been selected to participate in the proposed study of regional government in this area: John Cornish, Tim Curry, Molleen McInerney, Penny Martin, Glenda Burke, Richard Wood, Kim Collis, John Thayer, Margaret Ford, Stephen Lloyd.

Area Horseman Receives Praise

On Sunday, April 29, 1973, Mr. E. P. Taylor, a well known industrialist and horseman, officially opened the Humber Valley Community College Equine Centre.

Mr. Gordie Tapp was the official Master of Ceremonies, and during the opening there was a trade of various breeds of horses, including Arabians, Apaloosas, Quarter Horses, Thoroughbreds, Hunters and various other breeds.

There was a team of Belgian horses exhibited and particular praise was paid to Mr. Sinclair G. Nesbitt of Minden, Ontario, the present President of the Belgian Horse Association, for his work in promoting this breed. Apparently, the Belgian Horse Association of Ontario has made vast drives in promoting this breed of horse and a great deal of credit goes to Mr. Nesbitt of Minden.

Sir Sandford Fleming College of Peterborough is contemplating opening up an Equine Centre at their Lindsay campus.

800 Persons Attend Glee Club Operetta

An approximate 800 persons were in attendance at the Haliburton Highlands Secondary School Glee Club's presentation of "Merrie England" last week. The enthusiasm of the audience for this excellent production has manifested itself in wide-spread verbal publicity.

Many people who were unable to attend a performance now realize they missed an evening of outstanding entertainment. They can, however, still enjoy this fine musical as it will be presented at the Academy Theatre in Lindsay this Saturday, May 12, at 8:00 p.m.

An Assessment Of First Session Of The 29th Parliament

BY F. MAURICE WINDATT, NEW DEMOCRATIC PARTY CANDIDATE, VICTORIA-HALIBURTON

This Parliament is like no other that we have seen for some time. The Canadian people decided, at long last, on October 30th that neither the Liberal Party or the Progressive Conservative Party have, as they both

believe, some divine right to govern. The minority Liberal Government is scarcely recognizable as the one which led the country into the last election. The Government, aware of the mood of the people of Canada, now proposes legislation which it heretofore opposed and enshrines it as Liberal policy.

In most instances the measures are modifications of New Democratic Party policy and while not always wholly satisfactory, much improved as compared to the last Parliament. On the other hand, the Progressive Conservative Party and all their elected Members, including our own Bill Scott, have opposed and voted against almost every piece of legislation, with little regard to the content, with the sole purpose of defeating the Government. They now find that the cost of their irresponsible action is a six per cent drop in public support according to a recent Gallup Poll. In contrast to their showing the New Democratic Party alone made a substantial gain.

The Progressive Conservative Party have opposed establishment of a Food Prices Review Board which hopefully will have power to roll back unjustifiable high prices at the wholesale and retail level without depressing prices to the producer. Their solution

was a 90 day prices and wage freeze which would certainly affect farm prices and do little to curb prices in the long run.

They opposed the increase in the Federal Old Age Pension until third reading of the Bill.

They opposed amendments to the Unemployment Insurance Act.

They opposed granting of funds to the New Horizons Program by proposing that available funds be cut to \$1.

They have moved amendments, some with little meaning, in an effort to defeat the Government or failing this to endeavour to embarrass the New Democratic Party. The latter, in their efforts to make Parliament work and produce better legislation, are accused of going to bed with the Liberals.

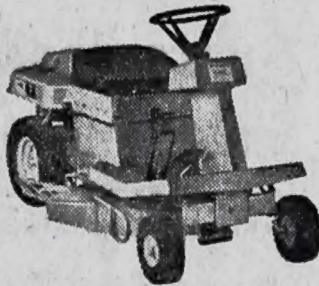

For my part I have always been distrustful of Liberal tactics to gain power and once there of their moves to cling to power. The Progressive Conservative Party have adopted like tactics to gain power. It is the old story — the main distinction between the two is that one holds the reins of power while the other would like to.

TWO FOOTNOTES:

When Mr. Stanfield has a good friend like Bill Davis does he need any enemies?

When Windatt goes to bed with a Liberal his wife will have changed her political allegiance.

Everything that's happened in outboards in the last ten years, has happened right here.

LOOP-CHARGED CYLINDERS

Evinrude's loop-charged cylinder design develops more horsepower from less fuel. This system allows the engine to run cooler at higher rpm's, generating even more power.

PRESSURE-BACKED PISTON RINGS

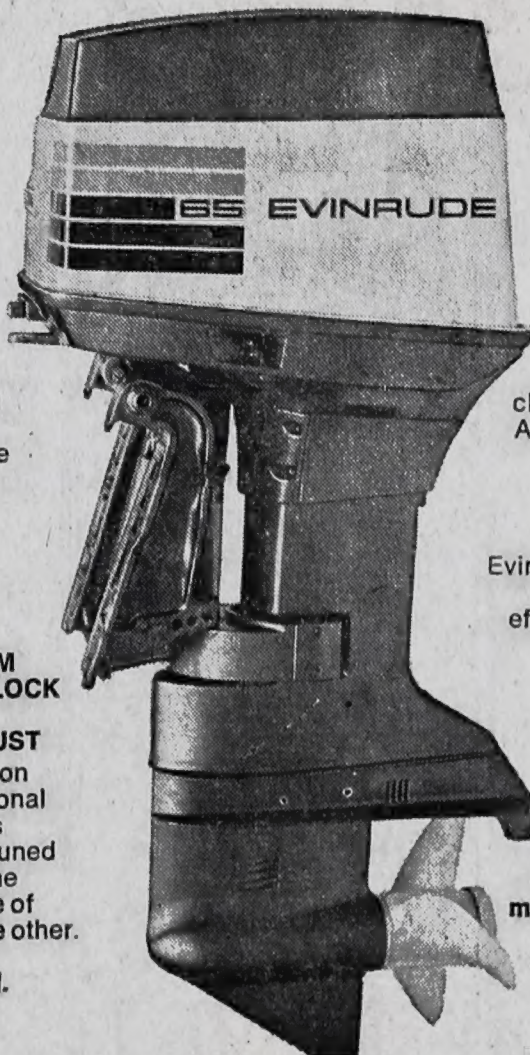

Increases engine life and improves fuel economy. The higher the combustion power, the tighter the piston ring seals the combustion chamber. When the pressure reduces, the ring relaxes, minimizing friction.

NEW FIXED IDLE JETS FOR SMOOTHER IDLING AND TROLLING

NEW SUPER-STRONG TRANSOM BRACKET WITH PRE-SET TILT LOCK

PULSE-TUNED EXHAUST

Gives you more power on less fuel without additional engine size. Evinrude's sophisticated double-tuned exhaust system uses the exhaust pressure pulse of one cylinder to tune the other. The fuel-air mixture is cleaner, more powerful.

EVINRUDE 65

FIREPOWER ELECTRONIC CD IGNITION

Quickest, surest starting there is. Delivers up to 40,000 volts to the spark plug — 250 times faster at the firing gap. Longer plug life. No points to adjust. Smoother idling for trolling and running.

POLLUTION CONTROL ENGINEERING

We're working to keep our waters clean. So every '73 Evinrude is drainless. All fuel is recycled into additional power.

COMPUTER-SELECTED LOWER UNIT

Out of millions of alternatives, Evinrude's engineers, with the help of a computer — selected the most efficient combination of underwater shape, gear ratio and propeller design power-matched for each outboard in the line.

Every major advance made in outboard motor engineering in the last ten years has been pioneered by Evinrude. And we've packed them all into our 1973 Evinrude loop-charged 65 and 50 hp models. The result is compact outboards for unbeatable performance in their class, and matchless reliability for you.

Bill Smiley

I TALK TO THE QUEEN

We're planning to go to England this summer. Last summer we planned to go to the Maritimes. Last winter we planned to go to Barbados. Two summers ago it was a trip across Canada. The plans are great but the performance is nil.

I'm not sure whose fault it is that the Smileys never get off the ground. I blame my wife. She hates getting ready for a trip. I sometimes think she deliberately broke her ankle last summer so she wouldn't have to get ready.

She, naturally, blames me, because I don't get everything laid on in time. She may have a point. I don't like super organization. I like to just take off and wind up wherever the fates take me, with as little baggage as possible. She likes to know where she's going to lay her head at night, and likes to have "something decent" to wear on every occasion that might present itself. That means three suitcases.

It also poses a big problem for this summer. I just know that when the Queen and Phil hear we're going to be in the U.K. there'll be an invitation of some sort waiting for us at the Dorchester or the Savoy or the Dirty Duck.

Trouble is, what sort of affair will she invite us to? If it's a lawn party, that means for my old lady a long summer dress, big hat, white gloves. And for me, a tough decision — whether to wear my white sport shirt or my blue one.

But what if it's for dinner at the Palace, as it probably will be? That's another kettle of fish and chips. It would mean a dinner dress and different shoes for the boss. I could manage a black tie over my white sport shirt and if it was extra formal I'd pin my Canadian Spam medal to my shirt.

I can just hear the dinner conversation, a bit fluty and high-bred but sort of chummy. Rather like the Pope trying to draw out the parish priest.

The Queen. "How delightful of you and your charming wife to do us the honour of coming to dinner. Have you been to England before, Mr. uh Wiley?"

Me. "Yes, your Honour, uh, your Worship, uh, Queen. I fought for your old man in the last war. Guess you were just a kid."

Queen. "A kid? Really? Ow. Ow, yes, I see. Your American slang is so refreshing. And you

were one of those gallant lads from the dominions who fought for my father, King George the Sixth?"

Me. "Just a minute, Queen. That's no American accent. It's Canadian. And they told me his name was Mackenzie King, not whatever you said."

Queen. "How quaint. And you were decorated, I see. That must be a medal for outstanding valour pinned to your, uh — I say, that is a striking, uh — shirt?"

The Duke. "It's a ruddy sport shirt, Elizabeth. They all wear them."

Me. "Oh, no, Queen. They gave these out with the rations. All you had to do was be conned into joining up."

The Queen. "Conned? Rations? Yes, of course. Now, we'd like you to have a wonderful time while you're here. It's lovely this time of year in Scotland. Right up at the top. As far as you can go."

Me. "Matter of fact, Queen, we thought we'd stick around London a while and get better acquainted. Maybe me and Phil here could do a couple of pub-crawls, while you girls got together and talked about your rotten kids and stuff."

The Queen. "Ow, now. I mean ow, yes. That would have been lovely. But actually, we must go to Canada this summer. Frightful bore, but there it is."

Me. "Yep, you must get sick of having to be polite to ordinary people. And it's a brute for heat over there in the summer. Especially on the prairies."

The Queen. "Quite. And now, if there's any little thing my husband and I could do, please don't hesitate."

Me. "Well, let's see. You're the Queen of Canada. Right? Right. Well, look. There's this school board, see? I'm a teacher, y'know. If you'd just write them a nasty letter. Why, I've got one Grade 9 class with 38 in it. Just tell them to lay off persecuting me. Oh, yeah. And would you call our neighbours, the Dalrymples, and make sure they're watering our lawn?"

My wife. (Silently and under the table. Kick. Kick. Kick.)

Anyway, Buckingham Palace won't be any problem. But what are we going to wear when we duck over to Northern Ireland to see Uncle Frank, who has asked us out in his fishing boat?

I think I'll have my wife dress in green, and I'll wear something in orange. At least one of us might survive.

Glamorgan Library News

Are you tired of either re-runs or hockey play-offs on T.V. Well, come in to our new Library and browse around. The new Library building has been in use for about three weeks and everyone who has been in has commented on the spacious interior and the increased shelf space.

Last week we got several cartons of new books and we are expecting more this week. We have something for every taste. There are books on such varied subjects as the arts of quilting, macrame work, cooking, etc. We have books on history, religions, travel and science. There is also an excellent supply of new fiction for both adults and children.

We have just received two new books about nearby areas. One of these is "Roses and Thorns" by Gladys M. Suggitt and it tells of the pioneer days around Kinmount, Cobocok and Fenelon Falls. The other is about Bobcaygeon, and both books are well illustrated.

For the children we have a book about Canadian Railways which will certainly be popular.

This service is free to the residents in this area and we extend a sincere invitation to everyone to drop in and see what is available.

In For An Eating Crisis

Haliburton could be in for an eating crisis this summer unless another restaurant is opened here in the near future. With the Highlander Restaurant closed, this leaves only one restaurant on the main street and that's Kosy Korner. With the large influx of tourists we wonder if this one restaurant will be able to handle the traffic. There is one consolation — we have two restaurants just out of town, the Riverside Restaurant and Beaconbrook, which will be a great help in serving the eating public. But it seems to us that what is needed here is not more snack bars but another restaurant.

What is badly needed is a restaurant that will be open for seven days a week all year round and with hours up to at least 11:00 o'clock in the evening. During the winter months in particular with people coming into town for amusements, bingo, meetings and sports events, they find it very hard to believe that it is impossible to get a cup of coffee and a sandwich after 8:00 p.m. It is just about time that the local Council and the Chamber of Commerce started to look into this situation.

It's all well and good to talk about bringing people into the community, but it's just about time that we supplied them with some facilities when they arrive.

We would certainly welcome your comments on this issue.

Display Location A Problem

The Royal Canadian Legion Branch 129, Haliburton, in conjunction with the Council of the Municipality of Dysart et al, have purchased an airplane which they hope to put on display for the public in Haliburton in the very near future. Three members of the committee in charge — namely Arnold Pennycook, Lloyd Coneybeare and Harold Bannon — were in North Bay a few weeks ago to view the aircraft that will shortly be on its way here to Haliburton. One of the main problems confronting the committee has been a proper location at which to display the aircraft.

They have looked at several sites, and they are hoping to be able to place it near the Caboose and Tourist Information Centre on the shore of Head Lake. There is only one problem — the aircraft is very heavy and must be placed on a concrete platform and consequently the land must be of good soil so that the weight of the plane won't sink the platform into the lake. Soil tests are being taken on this site to determine if this is a suitable location.

It has been brought to our attention by several citizens that a good location for the aircraft would be on the property near the railroad tracks and C.N.R. Station at Head Lake. There would be plenty of room for parking here but the area first of all would have to be cleaned up. Just whether or not the soil is good enough here is another question.

But no matter where it goes, it will be a great attraction for both the local people and the visitors to our community.

False Alarm Callers A Nuisance

It's really too bad that some people have nothing more to do with their time than to go around just being a general nuisance!

Last Friday morning the Haliburton Fire Department received a call that there was a fire at the residence of Nick Nimigon just outside of Haliburton. This was at 3:15 a.m. in the morning. The firemen got out of bed to go and answer the call only to get to the location and find that it was a false alarm. The Ontario Provincial Police were also called about the same fire. At about the same time the Haliburton Ambulance Service was called to what was supposed to be an accident in front of the Flamingo Cottages but when they arrived it was the same story — no accident.

Stupid calls like this are not only a real headache to the Ontario Provincial Police, Fire Department and Ambulance drivers, but it is also costing the taxpayers money. It's too bad that there isn't some way to trace these calls and bring these pranksters to justice.

If these people who are making these calls want something worthwhile to do then they should go out and join some organization in the community that is doing something constructive to help their fellow man.

This isn't the first time that this has happened and it might not be the last, but we would like to remind those who are making these calls that when the Ontario Provincial Police, Fire Department and Ambulance are answering a false alarm they may be needed at a real fire or accident. Let's make sure that this does not happen again.

Annual Meeting Held By Minden Women's Institute

It was a beautiful spring afternoon on Wednesday, April 19, when 24 members of the Minden Women's Institute and three visitors met at the Orange Hall for their Annual Meeting. The President, Mrs. P. Clarke, opened the meeting and welcomed the visitors.

It was a special honour for our Branch to have at this meeting the President of Victoria East District W.I.'s, Mrs. A. Griffin, who spoke briefly, telling everyone how glad she was to visit with us as we are the largest W.I. group in this District. You know, we enjoyed hearing that, but we would like to be larger. Won't some more of you ladies in this area come out and join with us. We would like to have you, and we do have lots of laughs and fun as well as some excellent speakers and papers

given.

The minutes and correspondence were dealt with and the Treasurer, Mrs. A. S. Kernohan, reported that our finances are in good shape. She is a very good treasurer and makes sure we keep in the black, and she informs us if our treasury gets near the danger point.

Mrs. D. Prentice, our Sick and Visiting Convenor, gave her annual report and last year she sent 345 cards to sick and shut-ins. The collection for this was taken, and also the Pennies for Friendship.

The report of the District Executive Meeting was given by Mrs. L. Cox and the members of this Branch were asked to vote if they were in favour of continuing to help support a Greek girl through the District — they

The Bus Trip was then discussed and the price set, this is to be \$8.00 which includes the fee into Black Creek Village and the date is May 30. So reserve your place early by calling Mrs. A. S. Kernohan.

Mrs. Clarke then declared all offices vacant and asked Mrs. Griffin to conduct the election, with Mrs. L. Cox being asked to act as secretary. The list of the officers and convenors for 1973-74 are as follows: President - Mrs. M. Sears; 1st Vice President - Mrs. H. Welch; 2nd Vice President - Mrs. L. Cox; Secretary - Mrs. W. Moore; Treasurer - Mrs. A. S. Kernohan; Branch Directors - Mrs. G. Hewitt, Mrs. W. Walker, Mrs. A. Taylor, Mrs. W. Arnold; District Director - Mrs. V. Cowen; Alternate Director - Mrs. P. Clarke; Public Relations Officer - Mrs. W. Moore; Agri-

culture and Canadian Industries - Mrs. W. Walker; Citizenship and World Affairs - Mrs. A. Taylor; Education and Cultural Activities - Mrs. P. Robinson; Family and Consumer Affairs - Mrs. A. Todd; Curator - Mrs. N. Ruppi; Resolutions and Pianist - Mrs. P. Clarke; Current Events - Mrs. B. J. Walker; Historical Paper - Mrs. J. Fairfield; Sick and Visiting Committee - Mrs. D. Prentice; Secret Pals - Mrs. Angus Coulter; Auditors - Mrs. M. O'Neil and Mrs. G. Hewitt.

Mrs. H. Welch thanked Mrs. Clarke for the wonderful leadership she has given this Branch during her years in office, and all the ladies were in agreement and accorded her a vote of thanks by a hearty clap of hands. Mrs. Clarke then took the President's chair for the remainder of the meeting.

Honorariums are to be paid to the Secretary and Treasurer. The Board of the Minden

Recreation Centre had written the ladies thanking them for their offer of a flag for the Centre, and they told them that eventually they hoped to display both the Canada and Ontario flags. After a discussion, the ladies were all in agreement that they donate one of each to the Arena.

The meeting then closed with God Save The Queen and the Institute Grace, and a very delicious lunch was served by the hostesses.

The May meeting will be held at the home of Mrs. A. S. Kernohan on May 16 at 2:00 p.m. with the roll call being "Ideas for Village Improvement".

CARD of THANKS

I would like to express my sincerest thanks to Drs. Harry and Brian Good for their care and attention, and to my many friends and relatives for their cards, gifts and inquiries, and also to those who visited me while I was a patient at the Wellesley Hospital. Thanks also to the Doctors and staff of the Wellesley Hospital of Toronto.
Ron Grant,
Haliburton, Ontario.

I, Helen Gunn, of Gooderham, take this opportunity to thank the Doctors and Nurses of the Haliburton Hospital for the care and kindness shown to me while in it as a patient - I think Haliburton may well be proud of its beautiful new hospital and its efficient staff of doctors and nurses. I also wish to thank Nurse Tyler and all my friends and neighbours in Gooderham for their kind cards; and especially my good neighbour Mrs. Gould who looked after my house and came down three times each day to look after my doggy and cat - thanks Jewel.
Helen and Debbie.

I would like to express my sincere thanks to all my relatives and friends for cards, flowers, gifts and visits. Dr. B. Good, Dr. H. Good, Dr. Ed Christiansen, the nursing staff and Dr. Belch while I was in the Peterborough Civic Hospital. Thanks also to Wayne Wood and John Consack for the Ambulance service.
Mildred Wood and family.

IN MEMORIAM

LITTLE - In loving memory of a dear daughter and sister, Patricia Lynn, who passed away on May 14, 1966.
You left us quietly, your thoughts unknown,
You also left us with a memory we are proud to own;
For us who loved, sweet memories will always last.
—Ever remembered by Father, Mother, sisters and brothers.

McNEIL - In loving memory of a dear husband and father, who passed away on May 11, 1971. He is gone but not forgotten, And as dawns another year In our lonely hours of thinking Thoughts of him are always near; We miss him dearly, always will, He left a place no one can fill, He slipped away without goodbye; Days of sadness will come o'er us, Many think the wound is healed, But they little know the sorrow That lies in the heart; concealed.
—Always remembered by wife Lydia and son Truman.

YOUNG - In loving memory of a dear sister, Cecilia Young (nee Winn), who passed away on May 14, 1972.

She has gone across the river To the shore of evergreen, And we long to see her dear face But the river flows between; Some day, some time, we shall see the face we love so well, Some day we will clasp her loving hand and never say farewell.
—So sadly missed by sister Mildred Wood and family.

Minden News Notes

This province mourned the death of a former Premier in the person of the Honourable Leslie M. Frost. He was a great friend of many people in our area and he will long be remembered as he often visited our town for the Fall Fair and other special occasions.

Anyone wanting a ticket for the Minden Women's Institute Bus Trip may contact Annie Kernohan and she will give you the details — the date is May 30. There is an advertisement in this paper about this.

There were several weddings over the weekend, with congratulations going to Mr. and Mrs. Hume Crawford (nee Tarri Foote), Mr. and Mrs. Richard Fuerth (nee Carolyn Hewitt), and to Mr. and Mrs. Rodger Thomas (nee Jean Boice).

Foster Loucks, M.A., Administrative Assistant at the Mental Hospital at Penetanguishene, is presently on a three-week tour in company with Dr. Garry Meyers, Hospital Psychiatrist, in England, Copenhagen, France, Spain and Italy to observe mental institutions in other countries.

Sincere sympathy goes to the families and friends of the late Ruby Elinor Schrader, Clifford Harrison and Charles H. Burke whose funerals were since last week.

At the L.O.B.A. Card Party last Monday night at the Orange Hall the winners were Shirley

Elcome (high and lone hand), Charles Parish, Charlotte O'Neill and Bill Elcome for euchre; and Jean and Charlie Roberts for cribbage. The draw was won by Mary McKelvey. After the games a delicious lunch and cup of tea was served by the ladies, and a social time was enjoyed by all.

Beulah Hewitt was away last week enjoying a holiday with Mr. and Mrs. Don Kellett and family of Bramalea.

Mr. Karl Blair and Mrs. Stark of Toronto spent several days in our village visiting with relatives and friends.

MINI CARD PLAYERS HOLD POT LUCK SUPPER

On Wednesday evening at 6:00 p.m. the Mini Card Party players enjoyed their Pot Luck Supper at St. Paul's Hall in Minden. For the year money taken in totalled \$264.55, with \$50.80 spent on prizes and gifts and \$43.47 for card tables, and a donation of \$160.00 to the church. Highest score for cribbage went to Cora Hewitt, highest score for euchre to Ethel Leigh, best attendance for cribbage to Isobel Bingham and best for euchre to Eleanor Walker, with each receiving a gift. Joyce Hewitt was very happy to be present for the supper time. Lilian Davidson made a presentation of a cheque to "Reverend Andy" and he thanked the gathering for the donation, hoping that these card parties would be continued for another season. After the dinner and clearing away many stayed and played cards. The winner of a lovely table centre donated by Isobel Harrison was Mary Maidens.

Gooderham News

Gordon and Beulah Barr just recently attended the convention of the Ontario East Grand Orange Lodge held at Kingston. The Lodge is building a home for senior citizens at Peterborough which is a complex of low rental apartments. We are informed that the ground was donated by the Bata Shoe Company of Trenton.

The Gooderham United Church Women met at the home of Mrs. Josh Pickens on Wednesday evening, May 2, at 7:00 o'clock. Miss Vaneita Pickens opened the meeting with the call to worship by reading Matthew Chapter 5, verse 16: "Let your light so shine before men that they may see your good works and glorify your Father which is in Heaven." Mrs. Pickens read the scriptures; Luke Chapter 23, verses 36-46. A short dedication service then took place when Life Service Pins and Certificates were given to two of the members, Mrs. Allan Madill and Mrs. Pickens, for the years of service they have given to the women's organization. Then Miss Pickens explained the meaning of the four parts on the pins and Mrs. Audrey Prentice of West Guilford and Vaneita Pickens of

Gooderham then pinned the Life Service Pins on their respective mother's dresses. Prayer ended this part of the ceremony. This was followed by a showing of coloured slides by Mrs. Priscilla Mintz of Gooderham Pentecostal Church taken of Mr. Enoch Nelson's missionary work and the country which he has travelled in Kenya, Nigeria and Tanzania. They were most interesting, and she spoke of the dedication of his work there. Mr. and Mrs. Clifford Mintz had toured through the States with Mr. Nelson for three months gathering support for the work.

Mr. and Mrs. Goff recently attended a Gideon Rally at Belleville. Mr. Goff is a veteran member of the Gideon International in Canada and a member of the Haliburton Highlands Camp which is the local unit. The Belleville Camp is to be con-

gratulated on the Rally. They had organized about sixty churches in and around Belleville where Gideon representatives told about the distribution of Bibles throughout the world. Mr. Goff was given a cordial welcome by the Reverend J. L. Dean at the Tabernacle United Church. There was an attendance of about 350. A large group of Oddfellows, Rebeccas and the Sea Cadets Band were in attendance. Mr. Goff spoke on the subject "What is Truth" which was well received and he told the congregation about the increasing demand for Bibles, particularly in India and Indonesia. He had a Bible there which had previously been in the fire tower south of Gooderham which had a bullet hole almost through the book, probably as a result of some hunting accident.

We trust that Mr. Bradley McDuff is fully recovered from his encounter with the bear near Minden.

Tory Hill News

A Bridal Shower was held at the home of Mrs. John Noble last week in honour of Miss Sherilyn McCrea, who is being married next week. A good number of friends and neighbours were in attendance in spite of the poor weather, and the bride received many lovely gifts. A delicious lunch was served.

Mr. and Mrs. Walter Riel were in Peterborough on Tuesday to bring Joan Riel home from the Civic Hospital.

Mr. and Mrs. Ray Riel and Cindy and Angela of Lindsay visited with Mr. and Mrs. Walter Riel on Sunday.

Mr. and Mrs. Doug McElwain and girls of Lindsay have returned home after spending part of the week with Mr. and Mrs. Allan Gill.

Mr. and Mrs. Walter Riel enjoyed their first plane ride on Sunday. They said the village looks better from the air. If you get high enough in the air you can't see the garbage around the municipal shed — it is an eyesore from the ground.

Mr. and Mrs. Schroder were at their summer home over the weekend.

Mr. Elwyn Short was back doing some repair work in the old family residence.

Neighbours were sorry to hear that Mr. and Mrs. Don Finlay Sr's grandson, Mitchell Finlay, was seriously injured while at school in Peterborough. We all hope he recovers quickly.

CHURCH NEWS

IS THERE ANYTHING IN A NAME? — NO. 2

I. — A NEW NAME IN THE PROPHECIES.

(a) To get the full meaning of what I am saying it would help if you read the scriptures that I will give. I do not want you to ever take my word for what I say that the Bible teaches. Any preacher who feels insulted by your checking what he says the Bible says must be lying, or only telling you half of the truth.

(b) In Isa. 56:5, the prophet speaking for God says "He will give us a house, and an everlasting name." I Tim. 3:15 shows us that the house God promised is the church.

1 - He also said that it would be a name better than that of sons and daughters.

(c) Isaiah also said in Isa. 62:2, that this new name would be given by God not from man. This new name would come after the Gentiles had saw the righteousness of God, or had the opportunity to obey the word. This new name would then have to come after Acts 10, when we find the first Gentile obey the Gospel.

(d) The Jews were told that they would leave their name for a curse, and God would call His servants by another name — Isa. 65:15.

II. — THAT NEW NAME "CHRISTIAN".

(a) You will remember that the new name would come after the Gentiles had saw the righteousness of God. In Acts 10 Cornelius, a Gentile, and his family were baptized. In the next chapter, verse 26, we find these words, "And the disciples were called Christians first in Antioch."

(b) In Acts 26:28 Paul was trying to convert Agrippa, and Agrippa

said, "Almost thou persuadest me to be a Christian."

(c) Peter said, "If any man suffer as a Christian . . ." — I Peter 4:14-16.

(d) We are married to Christ, according to Rom. 7:4, therefore why shouldn't we wear His name.

III. — THE NAME CHRISTIAN IS IMPORTANT!

(a) We are NOT to WEAR HUMAN NAMES; they were not crucified for our sins.

(b) The church at Corinth was divided because they were calling themselves after men — I Cor. 1:10,13. Martin Luther (in Life of Luther, page 262) begged the people NOT TO CALL THEMSELVES Lutherans, but CHRISTIANS.

James Hughett - Minister,
P.O. Box 458, Haliburton, Ont.

YOUR DECISION TO SERVE GOD

There is so much for which to thank and praise Jehovah God. He has mercifully made provision for us to enjoy eternal life. Already he has arranged to erase the death-dealing effects of sin by providing his own Son as a ransom sacrifice. As I John 4:9-11 says, "By this the love of God was made manifest in our case, because God sent forth his only-begotten Son into the world that we might gain life through him. The love is in this respect, not that we have loved God, but that he loved us and sent forth his Son as a propitiatory sacrifice for our sins. Beloved ones, if this is how God loved us, then we are ourselves under obligation to love one another." God's purpose to have his earthly children enjoy a paradise home forever will soon be realized! Does not this loving provision of God cause your heart to overflow with thankfulness to Him? True, none of us know everything about Jehovah and his ways. He is so great that humans will always be learning new

things concerning him (Romans 11:33). But on the basis of what you know, have you not come to appreciate that everything he does is right and that there is every reason to put full confidence in him? Are you not convinced that he truly loves his creatures, that he is merciful and gracious, yet at the same time perfect in justice and wisdom? (Psalm 86:5,10,15). If this is the way you feel about Jehovah God, you will be moved to serve Him and nothing will hold you back. Two courses are open to all humans. One leads to death and the other to eternal life. Deuteronomy 30:19,20 tells us of this saying, "I do take the heavens and the earth as witnesses against you today, that I have put life and death before you, the blessing and the malediction; and you must choose life in order that you may keep alive, you and your offspring, by loving Jehovah your God, by listening to his voice and by sticking to him; for he is your life and the length of your days, that you may dwell upon the ground that Jehovah swore to your forefathers Abraham, Isaac and Jacob to give to them." Which choice will you take? Making the choice to serve Jehovah will lead to your greatest possible happiness both now and forever. As the Psalmist said, "Happy is the man in fear of Jehovah, in whose commandments he has taken very much delight." (Psalm 112:1).

FINANCING ARRANGED

Minutes Of Meeting Held By Haliburton County Council

The regular April Session of County Council of the Provisional County of Haliburton was declared open for business by Warden Robert L. Fotheringham in the Council Chambers at 10:00 a.m. on Wednesday, April 18, 1973 with the following members being in attendance: Reginald Booth, Douglas Pritchard, Malcolm McGillivray, Roy Brohm, Murray Fearrey, Norman Locke, Robert Beene, Lloyd Walker, Gary Agnew, Keith Tallman, Arthur L. Lock, Douglas Russell, Robert Vick, Geoffrey Wynne, Sinclair G. Nesbitt, James Elder.

The minutes of the March 21st meeting of County Council were approved as circulated. Carried.

In the absence of Finance Chairman J. M. Howarth, R. Booth presented the Finance Report, confirming that all accounts had been scrutinized. Audited financial statements for the year 1972 were then circulated to all members.

Payment was approved for accounts as listed, checked, and circulated, representing cheques numbered 88 and 115 to 164 inclusive, in the amount of \$34,739.11. Carried.

The following correspondence was read: Frank Cowan Company Limited, Canadian Imperial Bank of Commerce, Haliburton Highlands Property Owners' Council, Ontario Ministry of Industry and Tourism, Hon. Rene Brunelle - Minister of Community and Social Services, Ministry of Transportation and Communications, Hon. William G. Davis, Ministry of Treasury Economics and Intergovernmental Affairs, Haliburton Highlands Chamber of Commerce, Haliburton County Social Planning Council, Ministry of Agriculture and Food, Canada Week Committee, Kawartha-Haliburton Children's Aid Society, County of Perth, Weir and Foulds, Mr. William Beatty, Haliburton County Public Library.

The Correspondence Committee requested Council to concur in principle with letters received by the Clerk, and in particular those marked on the list. Carried.

Mrs. Marilyn Stouffer was appointed to the Haliburton County Library Board. Carried.
Mr. Fred Green of Frank

Cowan Company Limited outlined the extent of insurance protection which might be considered and discussed particular aspects with members of Council. Mr. L. Wells, Vice President of Frank Cowan Company Limited, was also in attendance.

It was resolved that Mr. Fred Green of Frank Cowan Company Limited be authorized to prepare an insurance report and survey for the County and present same at the next session. Carried.

Mr. A. E. Walroth, now Assistant Regional Director of the new Algonquin Region of the Ministry of Natural Resources, explained to Council the restructure of that Ministry, outlining the boundaries of the regions and districts, the jurisdiction, and the apparent advantages for efficient operation. Accompanying Mr. Walroth at Council were Mr. Rosaire Gilbert, Lands Administrator of the Algonquin Region, and Mr. Don White, District Manager of the Minden District. Mr. Gilbert spoke of the need for guidelines to establish a systematic approach to development of cottage lands in an orderly manner. Members of Council questioned Mr. Gilbert extensively about current policies and about the implications of the Reilly Lake Report.

It was brought to attention by members of Council that, while farmers may protect their crops, there is considerable unsupervised and useless shooting throughout the County, killing off wild life, endangering lives, and causing damage and disturbance. The Department of Natural Resources was requested to restrict the issuance of summer licenses for all firearms from June to September in the Provisional County of Haliburton in order to protect the wild life during the tourist season. Carried.

The Warden declared Council adjourned for lunch at 12:15 p.m. Council reassembled at 2:00 p.m.

Mr. A. J. Elie, Senior Planner with the Plans Administration Branch of the Ministry of Treasury, Economics and Intergovernmental Affairs, spoke to Council of the need to create interest in long range planning and for local municipalities to recognize this necessity. In open discussion with

members, many matters of Official Plans and general planning policies were pursued.

The approach off Highway 35 onto Highway 121 North is to remain the same as it now exists, and the grade on the northerly approach is to be lowered as suggested on the Department of Transportation and Communications plan. Carried.

Mr. Lawrence Pritchard was in attendance. The Warden welcomed Mr. Pritchard and commended him for his many years of municipal service, for which members of Council applauded.

Mr. Gary Agnew, Chairman of the Regional Government and Planning Committee, reported on the activities and investigations of the Committee during the past month. The Clerk read the minutes of one regular meeting for both Official Planning and Government Restructure and two special meetings, one in Tory Hill and one in Bracebridge, and also reported on the appointment with Mr. Donald Irvine, M.P.P., Parliamentary Assistant to the Minister of Treasury, Economics and Intergovernmental Affairs.

Mr. D. Jack Cox, County Engineer, reported on the meeting with the Honourable Gordon Carlton, Minister of Transportation and Communications, on Monday, April 16, attended by members of the Road Committee, the County Engineer, the Clerk and the Warden, together with representatives from G. W. Martin Lumber Company and from the Ministry of Natural Resources, pertaining to the Elephant Lake Road.

The Council of the County of Haliburton protest the increase in taxation related to hydro and fuel and gasoline, as proposed in the Provincial Budget on April 12, 1973. We invite other counties in Ontario to join with us and concur in what we feel is a regressive tax. Carried.

The Warden announced adjournment of the meeting at 4:30 p.m.

Rick Ringer, Officer in Charge of the Canada Manpower Centre for Students now in operation at 302 King Street, Peterborough, in premises supplied by Trent University, advises of the appointment of two more Student Assistants to join Miss Kathi Doody, whose appointment was just announced last week.

These Assistants are Janet Nimigon and Carol Davison.

Janet has resided in Cavan Township for the last four years and completed Grade XIII at Crestwood Secondary School. She previously resided at Bowmanville, where she received most of her primary and secondary education. She has had previous summer jobs as a waitress and packer.

Carol comes to us from Phillipsville, Ontario. She attended Rideau District High School in Elgin, Ontario, before enrolling at Trent University in 1970. She graduated this year with a B.A. in History and plans to attend Queen's University in the fall to obtain a Bachelor of Education Degree. OBITUARIES

GORDON McCREA

Relatives and friends from Bobcaygeon and the surrounding communities were saddened to learn of the sudden passing of Mr. Gordon McCreA at the Civic Hospital in Peterborough on Saturday, April 7, 1973. He was in his 68th year.

He was the son of the late Alexander and Louisa McCreA, born and raised in the little community of Essonville in the County of Haliburton.

In April of 1930 he was united in marriage to Ethel May Noble and they moved to a farm in Tory Hill, Ontario, where he spent the early years of his married life. He later moved with his family to a farm near Bobcaygeon where he spent his remaining years.

Mr. McCreA was an ardent farmer and found much pleasure in the things of nature. He was a man of a very kindly disposition and endeared himself in helping

others whenever possible.

He was a member of the United Church.

Left to mourn the loss of a loving husband and father is his wife Ethel May, sons Keith of Oshawa and Floyd of Bobcaygeon, and daughter Betty, also of Bobcaygeon.
